### Creativity Reborn Locally *by Chef Ashby*

Executive chef Jeremy Ashby trades his knife for a pen. In the April issue of the *Kentucky Restaurant Journal*, Chef Ashby has the featured article. It's an editorial about how economic adversity brought back a sense of community and a return to local providers. It gives great insight into the current culture at **AZUR**. Though we have been members of Kentucky Proud since opening in 2004, our

#### Newest Iron Chef at WEG 2010

**AZUR** was recently informed that the newest Iron Chef Jose Garces will be paired with Executive Chef Jeremy Ashby on October 6 for *Cookin' in the Bluegrass* during the World Equestrian Games. This celebrity chef dinner will definitely be an exciting one. One of those "once in a life time" opportunities in our own backyard.
